

SERVICE STATIONS

Alvic® Feel the Tech Power

OPEN YOUR BUSINESS DOORS TO THOUSANDS OF NEW CUSTOMERS

SMARTFUEL APP™

01. Virtual service station

Allows mobile payment for any type of fuel or energy at your service station.

02. One-click refuelling

Your customers pay with the app in less than 15 seconds. Paperless, cashless and online invoice delivery.

03. Security

The pump is not authorised without first ensuring payment for the supply. All transactions are virtualised.
